LeetCode: leetcode.com/u/mansinegi739

Mobile No.: 9520688550

CAREER OBJECTIVE

Motivated Computer Science student with a strong foundation in programming and problem-solving, seeking an opportunity to contribute to software development while continuously learning and improving technical skills in a professional environment.

ACADEMIC DETAILS

Examination	Institute	Year	CPI/%
Graduation (B.Tech CSE)	Graphic Era Hill University, Dehradun	2023-Present	9.05
Intermediate	Doon International School, Dehradun	2020-2021	84.6
Matriculation	Saraswati Vidya Mandir, Pauri	2018-2019	93.6

TECHNICAL SKILLS

- Programming Languages: C++, Java, Python
- Frameworks/Libraries: Spring Boot, Flask, Pandas, Scikit-learn
- Web Technologies: HTML5, CSS3, JavaScript, React.js
- Tools: Git, VS Code, Eclipse, Jupyter Notebook, XAMPP

PROJECTS

- **SafeWalk Navigator** (Machine Learning Project) *Sept 2025 – Oct 2025*
 - Developed a route recommendation system to provide both shortest and safest paths using government crime data
 - Computed a “danger score” for route segments using machine learning techniques
 - Technologies: Python, Streamlit, OSRM API, Nominatim, Folium
 - Achieved **80–85% accuracy** and **78–82% precision** in safety prediction
- **Campus Compass** (Web Project) *Nov 2024 – Jan 2025*
 - Built a campus navigation system to help users locate places efficiently
 - Implemented shortest path computation using graph algorithms for optimized routing
 - Technologies: HTML/CSS/JavaScript, Leaflet.js, Java, Spring Boot, MySQL
 - Reduced average navigation time by **30%** and handled **100+ location nodes**
- **Municipal Complaint Management System** (DBMS Project) *Jan 2026 – Mar 2026*
 - Developed a complaint tracking system with role-based access for Citizens and Officers
 - Enabled complete complaint lifecycle management (submission → assignment → resolution → feedback)
 - Technologies: Python, Flask, SQLite, HTML/CSS, Jinja2
 - Implemented automated complaint assignment, reducing manual effort by **40–50%**

ACHIEVEMENTS

- Solved 400+ DSA problems on LeetCode.
- Completed 2 NPTEL courses with 80% scores, demonstrating strong understanding of core concepts (2026).
- Ranked in the Top 5.35% globally in Dynamic Programming challenges on Naukri Code 360 .
- Built 2+ full-stack academic projects from scratch using real-world APIs and advanced mapping tools (2026).

CERTIFICATIONS

- AWS Certified Cloud Practitioner | Amazon Web Services | Jan 2026
- Data Science Foundation Level | IIT Madras | 2023-2024
- Data Analytics with Python | NPTEL Data Science Bootcamp | Jan-Apr 2025
- Predictive Modelling with Applications: Supervised and Unsupervised Learning | NPTEL | Feb 2026
